

Kindergarten 2021-22

Our private kindergarten meets the Ohio Standards for Kindergarten, in a play-based, emergent setting.

We are under consideration for Charter status and should have that designation by the start of the 21/22 school year. This would mean we can accept vouchers if you are in a failing school district. **Covid has pushed our state visit back until this Spring.

Children must be 5 years of age by Dec 1st, 2021.

The program will begin the first day of the Columbus Public School calendar and end the last day of their school year. We will be closed for Christmas break, Spring break and regular NBCC closing dates. If your child is enrolled in the After-care program, you will have care during the breaks.

Depending on the status of Covid-19, there will either be one class of 20 children with two teachers or two classes of 10 children with one teacher each.

Hours: 8:30 am to 3:30 pm
